**Saturday, August 14th
1:00PM to 5:00 PM
Martin Luther King Park
2300 Greene Street
Columbia, SC**

Attention Young People ages 14 to 35!!!

- How many U.S. Representatives are there in total in Congress?
- What is the process of proposing legislation or a bill in the SC General Assembly?
- Do you know who your City/County Council representative is?
- How long does a U.S. Senator term last?

If you answered none right or even one, two or three or even all four correctly then Youth Interested in Politics is the right place for you.

Youth Interested in Politics is a new non-partisan organization by young people and for young people. We will register community members and group members (everyone and anyone) to vote, learn about and discuss political issues, and also to partner with politicians by having them speak at meetings as well as staying in contact with the group.

If this interests you, join us on August 14th at 1pm at Martin Luther King Jr. Park located on 2300 Greene Street in Columbia. Feel free to invite as many friends as possible to come with you to the meeting. Your friends do not have to fit in the age range listed above but just be willing to discuss politics. Political speakers will be at this meeting. Come on out and be a member of a new group that's FREE and is on the move: Youth Interested in Politics!
